## MESSAGE

### **Dr. SUNITA SETHIA**

**Secretary - JIWO Kolkata Chapter**

It's been a wonderful year with all my lovely ladies. In this one year we have come and worked together as one closely knit unit.

I believe for the development of any new organisation the first goal would be to first come together as a team. It is only after this stage we can work together for the upliftment of the society. Thus congratulations to all, as we have succeeded in the very first step!

We have achieved a lot and still have a lot of goals to fulfil. These goals can be segregated majorly into two parts- firstly giving a boost to the individual members in our organisation and secondly, helping the women in the society as a whole.

To achieve these goals, we need to work together as a team. Please keep participating and keep giving your valuable suggestions.

Thank you for all the love and support blessed on us in past. Hoping for the same in future.

Regards  
**Dr. Sunita Sethia**  
Secretary

My Dear Sisters,

"Coming together is a beginning, keeping together is progress, working together is Success".

Let me start my message with this quote as I always believe that we achieve success in a true spirit while working as a team than just individually. I am very grateful to the respected member for reposing faith in me. We shall work as a team and take the organization to the heights of success. My aim is to provide the best services to our members to ensure that there isn't any grievance from their end. We would work in best interest to represent regarding all difficulties to the concerned person. It is a great privilege to serve the Jain International Women's Organisation as the treasurer. I am grateful to president who have reposed faith and confidence in me to handle this responsibility, JIWO shall provide the platform to bring all the women together to provide them with an opportunity to prove their strength and confidence. It shall be my mission to get every Jain woman to be a part of this great organization. With each one's total commitment, we will make JIWO a strong organization. JIWO Has organized free health check-ups at major Place, Medical camps, spiritual class on baktambarji, yoga meditation, stall by expert ladies, personality development, for our member and so on. By which we JIWO Kolkata chapter has recognized with 1st prize in India. I shall leave no stone unturned to reach out to Jain women in need. I cherish the support from every member. I would like to conclude by saying..The Canvas of life is waiting for some bright colours. Let us add same shades of Joy, Love, Peace and Happiness to it. Let's touch base....today, tomorrow and forever!!!
